While I agreed details are necessary for the plot of the book but unfortunately the author goes on and on and on. I feel this book would rate five stars if the author would have condensed it in length. But enough said about the length, let's go over the book material itself. The story was | .com | "Eddie Lee Sexton is evil incarnate. Like Charles Manson, he exercised a cult-like mind control over others who did his dirty work. But unlike Manson, both Sexton's victims and his subjects were his very own flesh and blood." As strong as they are, these "Horrific, totally engrossing... A compelling look at insane brilliance." --Ann Rule

A psychopathic mastermind whose reign of terror had no limits--even murder. . .

For years, Eddie Lee Sexton ruled his family with perverse domination. He enforced every cruelty imaginable, from vicious beatings to raping his daughters and fathering their children. Yet the sadistic father

nearly escaped death row on a legal technicality.
